

Category	Sub-Category	Skills	Required
Industrial Electrician	Construction	Cable Hauling	
		Cable Tray / Ladder / Uni-strut	
		Cement Plant	
		Commissioning	
		Conveyor Systems	
		Galvanised Conduit	
		Manufacturing Plant	
		Power Stations	
		Quality Assurance	
		(SWA) Steel Wired Armoured	
		Sub Stations	
		Terminations	
		Tunnel Boring Machines	
		Underground Cabling	
	Water Treatment Plant		
	Installation	Compressors	
		Motors / Pumps	
	Maintenance / Service	Fault Finding	
		PLC Install	
	Mining / Oil & Gas	Central Processing Plant	
		Commissioning	
		Control Circuit Wiring	
		Field Compressor Stations	
		Glanding	
		Hazardous Area Terminating	
		Hazardous Area Wiring	
		HV Switching	
		Metering	
		Quality Assurance Inspecting	
		Terminating	
	Well Heads		
	Switchboard	Busbar	
		Control Panel Wiring	
		Distribution Board	
		Instruments	
		PLC Installation	
		PLC Fault Finding	
PLC Programming
